Enrollment Form for
Northeast Community Credit Union
Online Bill Payment Service

➢ Bills are paid either electronically or by check. You do not need to determine which way the receiver prefers – the credit union will handle this for you.

➢ When paying bills, you should enter a debit date of **5 to 7** business days from the payment's due date. Credit union is neither responsible nor liable for late fees or other consequences resulting from delayed payments.

➢ The bill amount is deducted from your checking account with a description of '**EFT WD BP (company name)**' on the **debit** date, *not* the due date.

Member Account #_____ Email address_____

SSN _____Address_____

Date of Birth_____Mother's Maiden Last Name _____
