

Member Business Spotlight Sign-Up Form

Thank you for participating in our Member Business Spotlight. To be eligible for the spotlight you must be a small business member with a business checking account at NCCU. The purpose for the program is to bring attention to and provide **FREE** advertising to our small business members. Here is how the program works...

- Reserve the month of your choice (based on availability) at one of our 4 locations*
- We will supply a table for you to display your merchandise or business information*
- Please come to your chosen location during the 1st week of your month to set up your display (You will be responsible for updating or changing your display, if needed)*
- We recommend bringing business cards, brochures, samples and, if you wish, a special discount or coupon available to other NCCU members*
- You and your business will also be featured on our website and Facebook & Twitter pages during the month*
- We ask that you remove your display on or before the last day of the month*
- You may participate once per calendar year*

Please take a moment to answer the following questions:
